

Floods in Kulyab City and Surrounding Districts, Khatlon Province

**GLIDE Number: [FL-2010-000087-TJK](#)
 Situation Report № 12 – 16 June 2010**

Past reports and additional information can be found at <http://www.untj.org/?c=7&id=318>.

Situation Overview*Kulob city*

The first newly constructed and furnished houses for flood survivors were handed over to the new owners on the 13 June 2010 during the visit of the President of Tajikistan. Construction of a planned 572 houses for flood affected families is underway in the five of the eight allocated areas. According to information from CoES the total land allocated for new house construction in Kulob city is 221.12 hectares in eight areas, with 192 hectares available in the five areas where construction has already begun.

Constructed house for floods affected family in new allocated area, Kulyab City

According to the information received from the Regional REACT in Kulob, the Sultanate of Oman is funding construction of 50 houses, one medical point, one school and one mosque in 6th area allocated for housing. At present, the Government of Tajikistan (GoT) has established a fire safety point and a tent for police to ensure the security of the 6th area. A survey to determine the housing plots in the 6th area is being undertaken by the Committee of Land Management.

The existing water supply system has been rehabilitated and currently provides drinking water for displaced families in the 3rd area of the new shelter site. Over 90 pieces of heavy construction equipment have been mobilized by the GoT to the housing site to support construction works. Electrical lines and street lamps are also being installed. Construction of access and internal roads is on-going.

Construction of new houses in the districts surrounding Kulob for flood affected families is also underway. A total of 113 furnished houses will be built for families in Shurobod, Muminobod, Vose, Khovaling, Temurmalik and Baljuvon districts whose houses were completely destroyed. Houses will be constructed through funding by the following private and state organizations.
